

Events Overview

Some of the Highlights of the year are our special events. Make sure you book early enough and do not miss out!

Breakfast Briefings

Start your day with an enjoyable breakfast and an informative presentation on current economic issues. This is exclusively for members and they are allowed to bring a guest.

SGC Monthly Luncheon Meetings

We organise luncheons for our members on a regular basis. These informal networking sessions create excellent opportunities for developing new contacts and to exchange ideas on business issues. This is exclusively for our members and they are allowed to bring a guest.

Social and Joint Events

Social Events

Some of the SGC events might be organised in a less formal setting and will therefore be classified as social event. If you are interested in attending one kindly call Serena Sim at 6562 8505 or e-mail to serena.sim@sgc.org.sg.

Joint Events

Some of the SGC events are organized together with other organizations. They take place on various locations and during the entire year.

B2B Networking Event

The event is jointly organised by the German Centre and the Singaporean-German Chamber of Industry and Commerce. The main goal is to create a forum for business people to meet in a very relaxed surrounding. Do come and meet new people, and also enjoy a delicious German-Asian buffet, free-flow of beer, wine and soft drinks! (subject to cover charge)

The SGC has organized a golf tournament for its members and their business partners. They took this opportunity to spend a day out in the renown greens of Singapore.

Others

In this section all those events are placed that do not have the timing or the setting to fit in any of the other categories.
