FLASH SURVEY ON COVID-19

COVID-19 Flash Survey of the Singaporean-German Chamber of Industry and Commerce (SGC)

The Singaporean-German Chamber of Industry and Commerce (SGC) conducted a flash survey with SGC-Members regarding COVID-19, with regard to its impact on their businesses.

Close to 20% of the SGC-Members / 100 participants, replied to the survey. 72% stated that the outbreak of COVID-19 has influenced their company’s business activities in Singapore, however 61% of the respondents replied that their companies are prepared regarding the risk of COVID-19 infections. Restrictions of visitors from China have been put in place, along with restrictions against employees travelling to China. 65% of companies do not or only to a small extend see their supply chains within ASEAN affected. 66% of companies feel that COVID-19 has not affected their supply chain from ASEAN or only to a small extent. 43% of companies see their supply chains to ASEAN affected or to some extent affected, while 57% see little or no influence.

Dr Claus Trenner, President of the SGC, says: “The Singapore government deals with the Corona Virus in a professional and transparent manner and we feel connected and very well informed. We very much support this responsible handling of the current situation”. Dr Tim Philippi, Executive Director of the SGC, adds: “Yes, businesses are affected, but companies are prepared and appropriate measures have been implemented to be able to work safely with employees, customers and suppliers”.
